

Local Alternate Notary Services:

The UPS Store has commissioned notaries on staff ready to help you get your business and personal documents notarized quickly and efficiently. Their notaries may be able to help notarize your wills, trusts, deeds, contracts, affidavits and more. Check with your local store to confirm which documents can be notarized.

Be prepared to sign your documents with a notary:

- Bring a valid, government issued photo ID with you when you visit for notary services.
- Be sure to bring all of the documents that need to be notarized with you.
- Be sure the documents are complete and ready for signature. If you need legal advice, please consult an attorney. The notary public is prohibited from helping you to prepare, complete, or understand legal documents
- Some documents may require signature witnesses in addition to notarization. Contact your local The UPS Store center prior to your visit to determine if it can provide additional signature witnesses.
